

Tribal Members,

Congratulations to all tribal citizens. As of 10/06/2020, the tribe is now the owner of the following adjoining properties:

1. 111 Highview Drive, Madison Heights VA, and
2. 3767 S. Amherst Highway, Madison Heights VA

These properties are a great step forward for the tribe, being in a very central location in Madison Heights and will bring additional benefits and services as well as expansion of our current services in the following areas:

1. Tribal resource center
2. Food bank
3. Administration
4. EPA
5. Housing
6. Tribal medical clinic
7. Dental clinic
8. Mental health services
9. Pharmacy
10. Tribal Hall, and
11. Computer center

All these services will also provide significant employment opportunities for tribal citizens.

These properties are fully paid for and there is no debt to the tribe.

Thank you for your continued support and help in making this all happen.

Chief Kenneth Branham
